Wave Hello and Good-Bye

When we see someone we know and they are too far away to talk to, we often wave. To **wave** is to swing a hand or an arm from left to right with the palm facing the person. There are different ways to wave. You can wave with just your hand near your body. Or you can wave with your whole arm extended high above your head. The farther away a person is, the bigger the wave.

Greeting People in Conversation

Question	Beginning	Responses	Examples
How are you?	I'm...	great/ excellent very	I'm great!
How are you doing?	I'm doing...	good / fine / okay	I'm doing okay.

Meeting & Greeting People

We greet people when we see them. We always greet people we know. We sometimes greet people we don't know. To greet someone is to say hello in a friendly way. There are many ways to greet someone. What expressions do you use to greet people? Make a list of them.

Good morning is used before noon (12:00pm)

Good afternoon: use from 12:01pm until approximately 5:00pm

Good evening: use from approximately 5:00pm until midnight (12:00am)

In the United States, men and women generally greet each other in the same way. They use the same greetings. They shake hands the first time they meet. They make eye contact looking the other person in the eyes.

Here are some common greetings.

How do you say them in Spanish?

Hello

Hi

What's up?
